Aoraki Lago

LS533

Inspired by a rugged land of ice and rock lying long and deep in New Zealand, Aoraki Lago strikes a balance between light and dark with a myriad of grey that gently softens the contrast. The exotic composition unveils the mystery, serenity and purity of ancient glaciers in the warmth of the modern abode.

Whitehaven

LS520

Pure yet sophisticated. Whitehaven
lightens up indoor surfaces with
distinctive elegance.

Delicate translucent grey streams
intertwine and sweep across the
immaculate white backdrop, with
ingenious Carrara scattered effortlessly
aside. This is a
reinterpretation of endless stretch of
sandy, pristine beach on the eastern
coast of Australia.

Misty Stanton

LS560

Misty Stanton epitomises the romantic and mysterious wilderness of England's Peak District. The stunning dual tone background colour is delicately handcrafted layer by layer to provide a soothing foundation that allows contrasting grey steaks to flow and collide like streams meandering through a primitive forest.

13.
vella cortina

Vella Cortina

LS510

The background of the entire page is a high-resolution image of a marble surface. It features a complex, organic pattern of veins in various shades of grey, taupe, and off-white. The veins are irregular and flowing, creating a sense of depth and texture. The overall tone is light and sophisticated.

The image shows a modern interior space. In the foreground, a thick, rectangular concrete table with a textured, grey surface sits on a light-colored wooden floor. On top of the table are a small vase with greenery, a brass-colored object, and a book. Behind the table is a dark wood cabinet with a vertical metal handle. On the cabinet, there is a black bowl, a glass vase, and a large number '44.' with 'LS 460' written below it. In the background, a minimalist light fixture with a black frame and four white spherical lights hangs from the ceiling. The wall is a warm, textured grey.

Concrete Laro

LS460

Rough yet refined. With fine graining sprinkled over a warm grey surface, Concrete Laro replicates the texture and finish of cement, which delivers urban industrial authenticity to the space.

The background of the top half of the page is a detailed image of a marble surface. It features a light cream or off-white base color, with prominent, irregular veins of a darker grey or taupe color. These veins run diagonally across the frame. There are also smaller, more intricate patterns, including a distinct honeycomb or cellular structure in some areas, which is characteristic of certain marble types like Calacatta.
