1 / Home Range

A classic range that suits a variety of building needs

GLACIER

LS593 | Polished Finish | 3220mm x 1620mm x 20mm

A graceful, slowly moving mass, formed by the accumulation and compaction of snow and accentuated by cracks and crevasses. Capturing nature by replicating its icy base with contrasting grey shadows, Glacier reveals a sense of depth, immersing you in her frozen wonder.

BESCATO MAVRO

LS516 | Polished Finish | 3220mm x 1620mm x 20mm

This masterpiece encompasses the rustic beauty of nature. With its gentle white backdrop, the rawness comes in the form of a bold and vivid pattern, embracing earth's dark shadows whilst illuminating a daring composition that is hard to replicate.

BESCATO GRIGIO

LS505 | Polished Finish | 3220mm x 1620mm x 20mm

The distinctive beauty of Bescato Grigio adds calmness and serenity unlike any other. Between its prominent yet harmonised soft grey veins and tranquil white backdrop, Bescato Grigio showcases the mellow side of nature.

AORAKI LAGO

LS533 | Textured Finish | 3220mm x 1620mm x 20mm

Inspired by a rugged land of ice and rock lying long and deep in New Zealand, Aoraki Lago strikes a balance between light and dark with a myriad of grey that gently softens the contrast. The exotic composition unveils the mystery, serenity and purity of ancient glaciers in the warmth of the modern abode.

WHITEHAVEN

LS520 | Polished Finish | 3220mm x 1620mm x 20mm

Pure yet sophisticated. Whitehaven lightens up indoor surfaces with distinctive elegance. Delicate translucent grey streams intertwine and sweep across the immaculate white backdrop, with ingenious Carrara scattered effortlessly aside. This is a reinterpretation of endless stretch of sandy, pristine beach on the eastern coast of Australia.

CANYON

LS418 | Textured Finish | 3220mm x 1620mm x 20mm

Rugged, natural, raw. Canyon features feathering veins, cracks and lines that create the illusion of years of weathering and erosive activity. With a multi-layer surface encompassing tones of white and shadowy grey, the textures of Canyon invite you on a sensory journey.

AURORA

LS429 | Polished Finish | 3220mm x 1620mm x 20mm

Aurora replicates a spectacle of winter magic, a dazzling miracle of nature. With golden electric sparks dancing across a fresh snow-white backdrop, Aurora adds sophistication and interest to design.

VOLAKAS

LS466 | Polished Finish | 3220mm x 1620mm x 20mm

Taking its inspiration from the aesthetics of 'Volakas', gentle grey tones of diagonal veins stream through the smooth, warm white surface to create a stone that is both harmonious and contemporary.

OCEAN WAVE

LS477 | Polished Finish | 3220mm x 1620mm x 20mm

Peaceful, yet dynamic. Full of energy yet soul soothing. With a white base resembling bubbles of breaking waves and sandy veins flowing over its fluid surface, Ocean Wave emulates one of earth's most powerful and tranquil phenomena.

ATTICA

LS448 | Polished Finish | 3220mm x 1620mm x 20mm

Encapsulating the time-honoured design of Calacatta marble, Attica captivates through its dramatic yet refined veining with hints of gold on a radiant white background, adding a modern twist to a rare classic.

SKY MARBLE

LS409 | Polished Finish | 3220mm x 1620mm x 20mm

Sky Marble depicts the timeless allure of natural marble, with fluid handcrafted grey veining stretching across a luminous white facade. The colour is fully versatile that has endless possibilities to enhance any interior.

CONCRETE ROCK

LS465 | Textured Finish | 3220mm x 1620mm x 20mm

Cool grey shading and textured tactility granting Concrete Rock a full industrial look with personality and style, at the same time emanating warmth and maintaining a sense of harmony.

VALLON GREY

LS482 | Polished Finish | 3220mm x 1620mm x 20mm

Vallon Grey captures veining reminiscent of currents sparkling on an iron grey foundation. Edged white streams drastically crisscross the dark canvas, creating fine etchings in a multitude of sizes and shapes.

Lavistone products are easy to maintain. For everyday cleaning, simply use a damp cloth, with warm water and pH neutral cleaning products to make it look like new. Lavistone products do not require polishing or sealing to maintain a glossy finish and smooth surface, as it is a non-porous product.
